When students arrive to be tested they will be placed in a room with other Home School Students to take the test. *Parents cannot be in the room while testing is going on. If a child would have difficulty reading then a catechist will be assigned to help them take the test verbally. If your child falls into this category please let us know in advance so we can prepare. Tests will be graded by Mrs. Mascola and will be mailed back to students.

If there are any problems Mrs. Mascola will contact family for a meeting or phone conference.

As long as students faithfully come for testing and show that they are doing their work by passing tests, they will be promoted to next level. Please note that there is no open book testing permitted. The purpose of the Home School Testing is to assure that the children have done the required work at home.

Again, if for any reason a child needs to be tested orally please let Mrs. Mascola know!

If you cannot keep your scheduled testing date please call to reschedule.

Thank you!
